1. I am pleased to inform you that Mr Lowell M. Hardy, of the USAF Hospital Pease, Pease AFB, New Hampshire, has successfully completed the Air War College Seminar Program.

2. This program, which closely parallels the resident program, is designed to expand the knowledge and understanding of senior officers and civilian employees and to prepare them for high command and staff positions. Throughout the course, students must devote approximately eight hours a week during off-duty time to fulfill all requirements. Completion of the Seminar Program represents an achievement indicative of Mr Hardy's dedication and desire to increase his professional competence.

3. Request the attached diploma be forwarded for presentation to Mr Hardy at an appropriate ceremony--along with my congratulations. I hope this commendable effort will be reflected in his next Civilian Performance Appraisal.
