Dr. and Mrs. John Arnold Rockwell have the honour to announce the marriage of their niece
Diana Ward Rockwell to
Mr. Eliot Sumner
on Wednesday, August twenty-eighth, nineteen hundred and seven
Manchester by the Sea
Massachusetts
Dear—although we could say it to Cottle after all, it was a real
refreshment to hear your dear
voice which sounded much better
than the day before.
As I had time enough I wrote
to Frances asking her to come
either Monday or Tuesday night.
St. Rockwell’s morning which
very happily. She had written of
flowers and all Alice’s garden
and 2 cent as many as broke
as she could have had for the
house and John helped to put
them up! Florence made Jenie’s
cordiant will continue to stay
over tonight-she is a fine young
woman, spirited, clever and I
came—she is a nice of dear S. W. & Florence
inewark. Must have to remember
that Monday you will be here.
I hope to have good news.

yterday got back. By then.
with you.
