THERE ARE **HOW MANY EBOOKS IN THE LIBRARY COLLECTION?!?**
No, seriously... how many?

The UNE Libraries has a total of 1,631,322 ebooks in our collection!

With an average depth of 2" per book, that would be enough stacked books to stretch 51 miles... *or the length of 755 football fields!*

Although only 3.4% of UNE Libraries’ book collection is in print, that is still 56,517 print books... *or the length of 31 football fields 😊*

Visit the UNE Library website to begin searching for ebooks (both serious and fun!) today
