It's Comin' Up Spring!

April is National Poetry Month

So... we prompted 3 different AI tools* to create *a humorous haiku about a university library* and here is what we got 😊

Chat GPT

In the quiet stacks,
Student hides from study's hacks,
Books whisper "Relax!"

Google Gemini

Dust motes dance in sun,
Sleep-deprived student hunches near,
Coffee's bitter friend.

Microsoft Copilot

Paper due at dawn,
Citations mock my soul's ache,
Cite, weep, repeat.

*Librarian Note: Remember to use AI tools responsibly! Look for potential bias and verify your information using reliable outside sources.
