"Coffee stains your teeth," says Lisa Dufour, "but what the heck!"

Cara Di
and Den

"If you don't mind your table manners," warns Dean Watson, "I'll make you take Chemistry again!"

"Someone should have taught this lobster some table manners," thinks Sherry Farrington.

Scenes from a Year: Random as Memories of a Dream

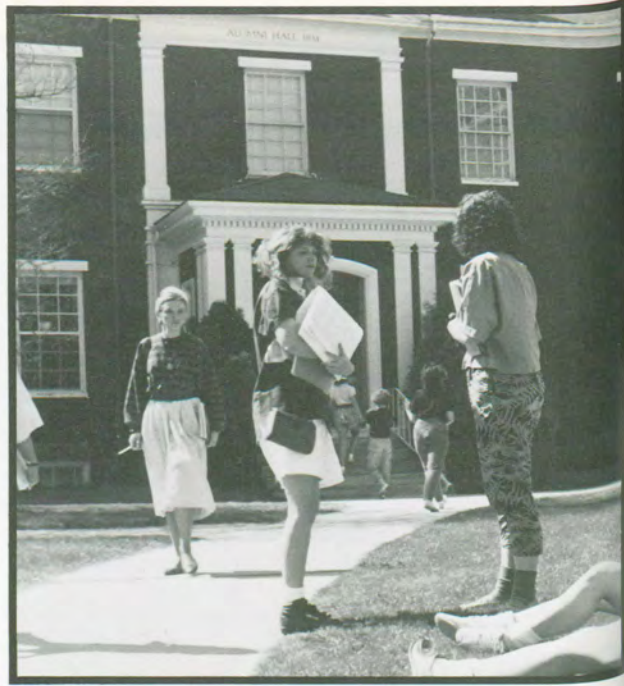

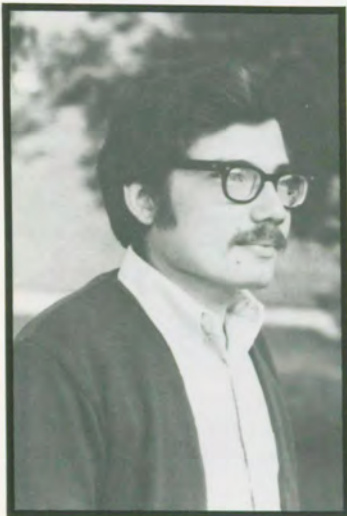

These Pages . . .

These two pages are a special thank you to teachers and staff who will not return to Westbrook next fall. Thank you for everything you have done for us and for other Westbrook students over the years. You have made an important difference in our lives. We will not forget you. We wish you the very best in all your future endeavors.

By The Window.

by:Raminder Gandhi

By the window have
I seen you laugh.

By the window I
saw you deep in
thought.

By the window I
have seen you busy
in work.

By the window at
all times, safe or
stormy,
I have seen you
smile.

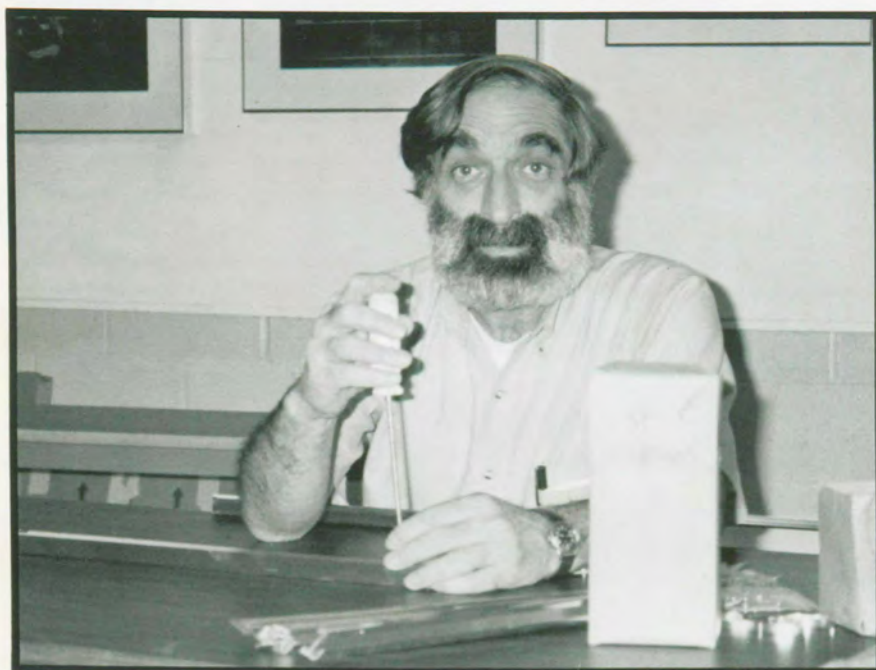

But now it won't
be the same.

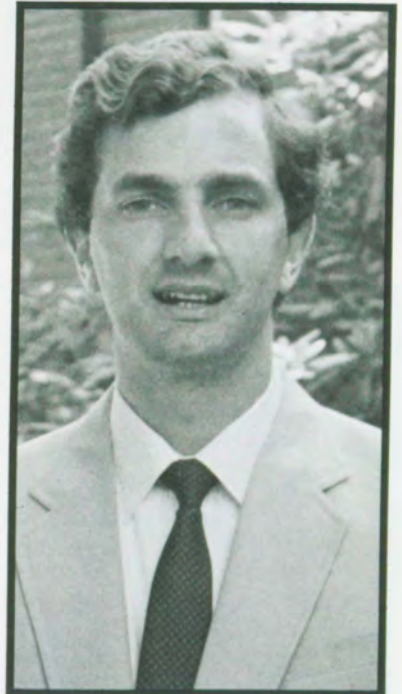

The window shall
still be there,
but with a
difference.

Whatever may, I
shall never forget
you smiling by the
window.
