* EDUTECH: OPEN MEETING FOR LIBRARY SUB-COMMITTEE MEMBERS AND ALL INTERESTED FACULTY!!!

Andrew Golub set up an interview schedule for EDUTECH, our IT and Media consultants, who came to UNE for an on-campus visit and met with the Library Sub-committee. This was an open meeting for anyone interested in the future of the libraries, AV & media, and information technology at UNE. The EDUTECH Consulting Principal, John Savarese, lead the hour-long discussion which was filled with recommendations, concerns, comments, spontaneous dialog, brainstorming and Big Hairy Audacious Goals (BHAGs), as Jim Collins recommends! John took copious notes and will compile the Committee’s input into his final EDUTECH report for UNE. Attendees were: Dave Johnson (Library Sub-committee Co-chair), David Manyan, Tim Gutmann, Cadence Atchinson, Sharon Eckert, Patricia Morgan, Karen Pardue, Barbara Swartzlander (Library Sub-committee Co-chair).
