UNE Library Services – What’s The Buzz?

UNE Library Services offers many, many resources, and we love acquainting you with them. We often highlight new resources, notable information, and upcoming events on our home page, News & Events page, and social media channels. You can always Ask A Librarian, but these paths are also helpful (and, often, fun)!

Library News & Events:

Scroll down just a bit on the [library homepage](#) and you will see our most recently posted News & Events, including items such as new services, resources, projects, events, and notices. You can scroll through these announcements right on the home page, visit our [News & Events page](#), or search for items which have been posted via the “Library Website” search tab in our big search box.

Facebook, Twitter, and Instagram:

It’s fairly likely you visit at least one of these; try visiting us on [Facebook](#), [Twitter](#), or [Instagram](#) when you do! You’re going to learn things and you’re likely to laugh. We’re always happy to ‘see’ you, and we post interesting, timely, useful content. (We’re interested in your content, too!) These links are also available on the library homepage and each library page footer.

Please share this resource with your colleagues and let us know how we can help you and your students.

Thanks,

Bethany Kenyon
