UNE Library Services – New & Continued Summer 2020

Latest additions and continued services from UNE Library Services in July, 2020.

Visible Body: The latest resource offered by UNE Library Services, Visible Body is a comprehensive 3D atlas of the human body; includes access to a mobile app. *Note: First time access will take about 30 seconds to load; after that it will load quickly.*

UNE librarians remain available to you and your students via [chat, email, Zoom, and phone](#), and library.une.edu offers a suite of searchable and browsable [tutorials, frequently asked questions, and research resources](#).

Though the majority of UNE Library Services are currently electronic, the libraries do offer [Physical Book Mail Delivery services](#). We're currently anticipating resumption of on-campus services at the library buildings in mid-August; announcements of exact dates and hours will be made on library.une.edu, our social media channels, and UNE Community News.

Please share this resource with your colleagues and let us know how we can help you and your students.

Thanks,

Bethany Kenyon
