As fall semester winds down and final projects/studies ramp up, [librarians](#) and the [library website](#) are at the ready to connect students and faculty with the resources they need.

CITATION GUIDES AND RESOURCES

Available on the library home page under Research Help → [Help With Citations](#) are citation guides crafted by UNE Librarians. These cover the most frequently used citation styles and use-cases and offer links to full citation manuals. A direct link to RefWorks citation manager is also included.

NEW! PRIMARY SOURCES GUIDE

Now available on the library home page under Research Help → Guides & Tutorials is a [Primary Sources guide](#). Its sections cover primary resources in the humanities and primary and secondary sources in the sciences. Each defines the source concepts and supports their discovery and use.
