

Annie Fields

AF to SOJ,

Dearie Just one word this Saturday morning of love and thanks to you both for the good box of green things. We had an awful looking tempest pass over us yesterday. John is at work now on the avenue. It rained beautifully and the worst of the lightning & wind passed over. Today is a miracle of beauty although still windy.

I cannot make my pen work! Rose goes Monday Morning. The Pearsons are coming from Annisquam just to pass the day tomorrow.

Your own

A.
